PEACH MOMOKO

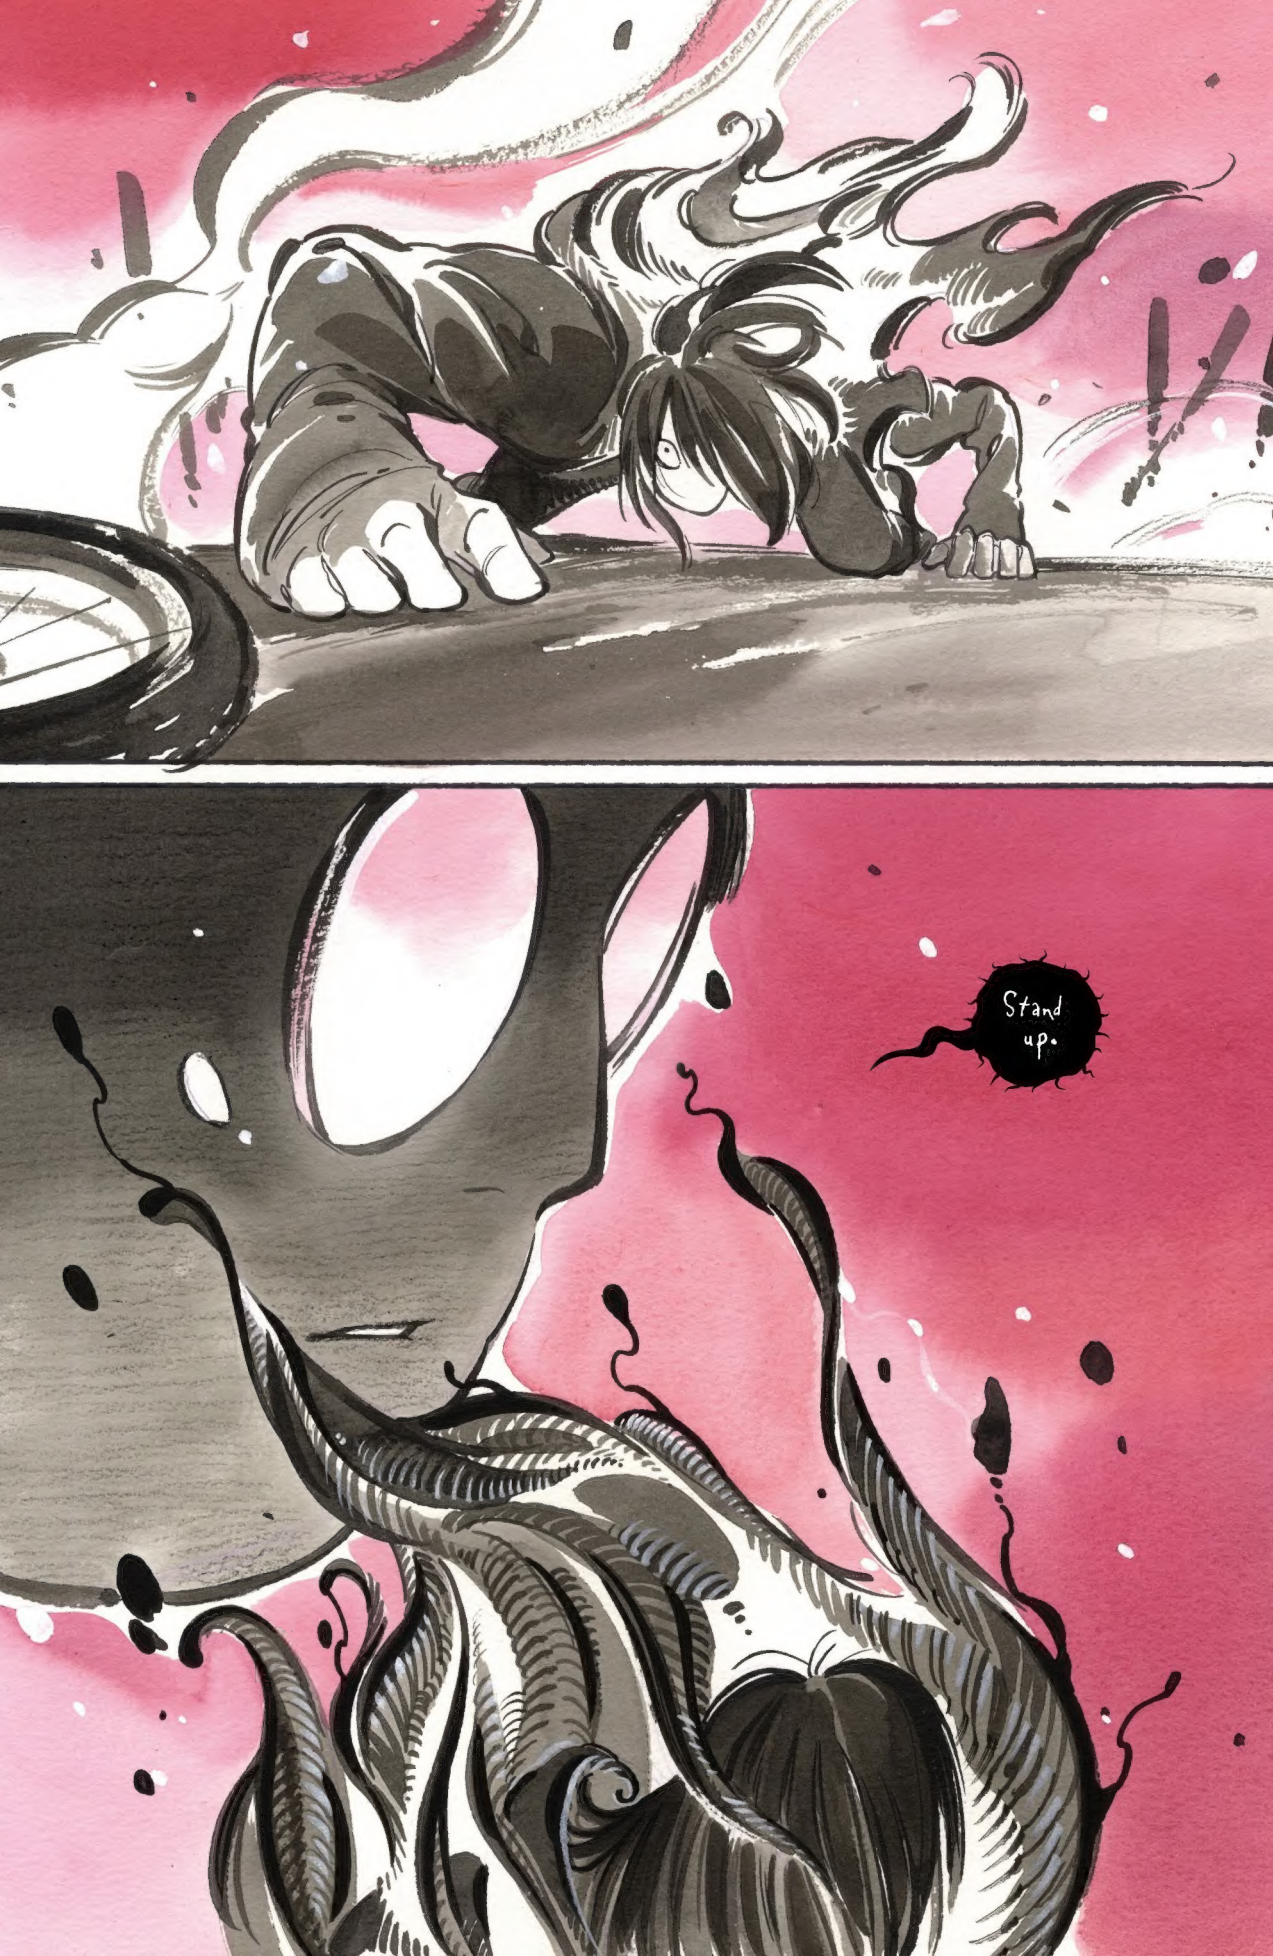
MAR. 2025 | RATED T+

Hey!!!
Yeah, you!!!

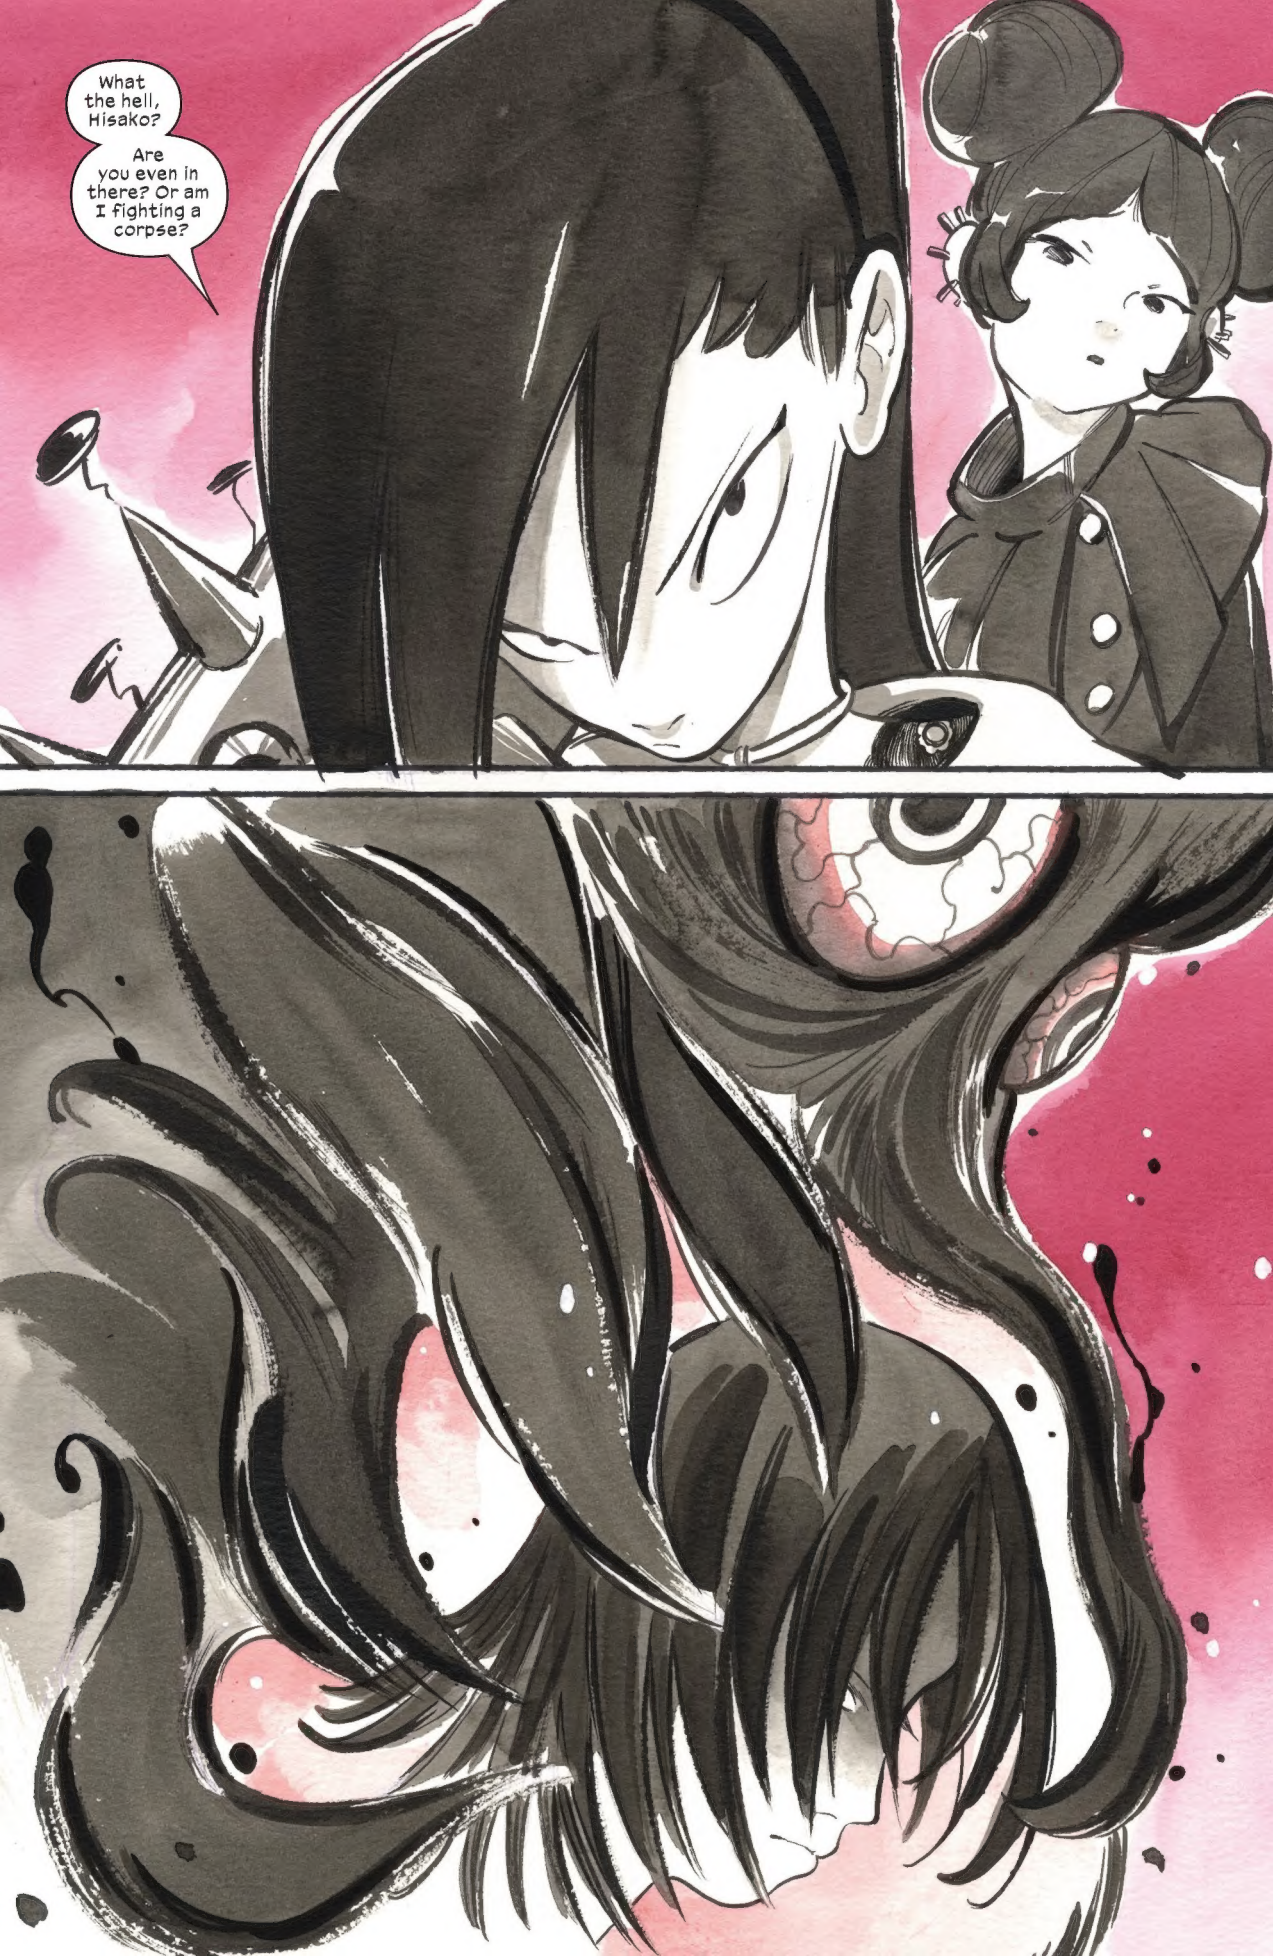
You hear me?

You finally awake, Dark Armor?
I know what you did.
VRRRMMM
We're here to make you pay!
Incoming.
Yeaahh!!!

That was close.
We need to do something about that bike. Kanon, on my cue...
...drag Hisako down.
NOW!
YANK



Stand up.



What the hell, Hisako?
Are you even in there? Or am I fighting a corpse?

Do you hear them? Mocking you?

Is that one of my children I see there?
Your turn, Mr. Fujiwara.

Feed your Maester your blood!
あちちち....
Ahh!!!

Kekekekekeke...
I believe we have a situation.
There're too many...!
Back off, Shadow King!
You think you can cover the world in your shadows? Steal our future?
Never!

I will be the light to stand against you!!!
MAYSTORM!!!
At last.
Our family has gathered.
Family?

We are the mutant family. Brothers and sisters, bonded by blood.
Like all families, we both love and hate each other.
Perhaps this is our fate.
NO WAY!
I'll unite the mutants together!!!

Mutants. I'm sick of hearing about mutants.
I didn't ask for this...
You think you're good? You think you're a hero?
People like you are pathetic. Dreaming of a future.
Trusting in hope.
I hate you all!

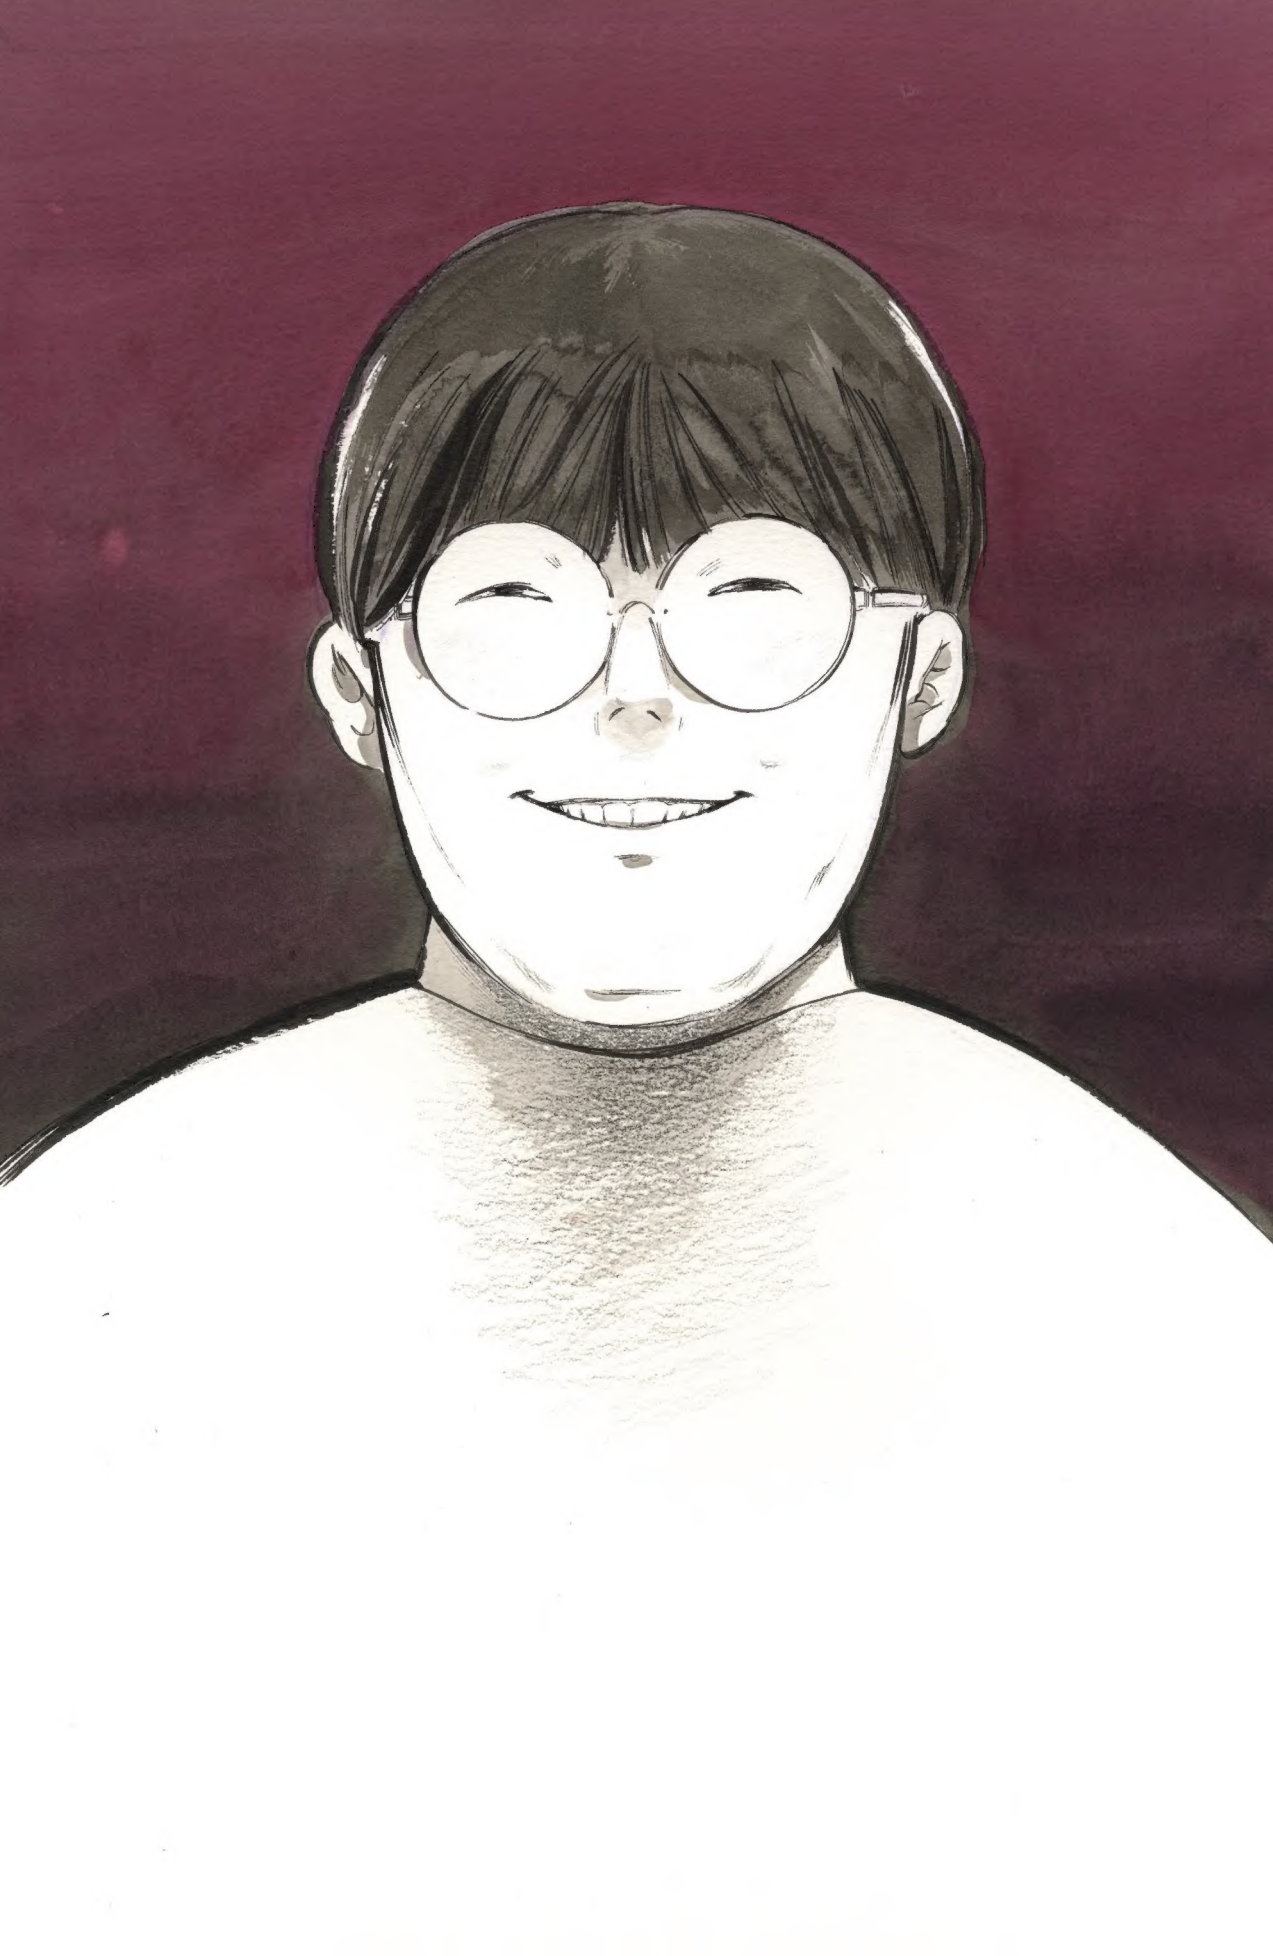
ZZAAARK
Damn! Not even a scratch!

Guys? A little help here!
Mori!!!
ZAAAARK
I got you!!!

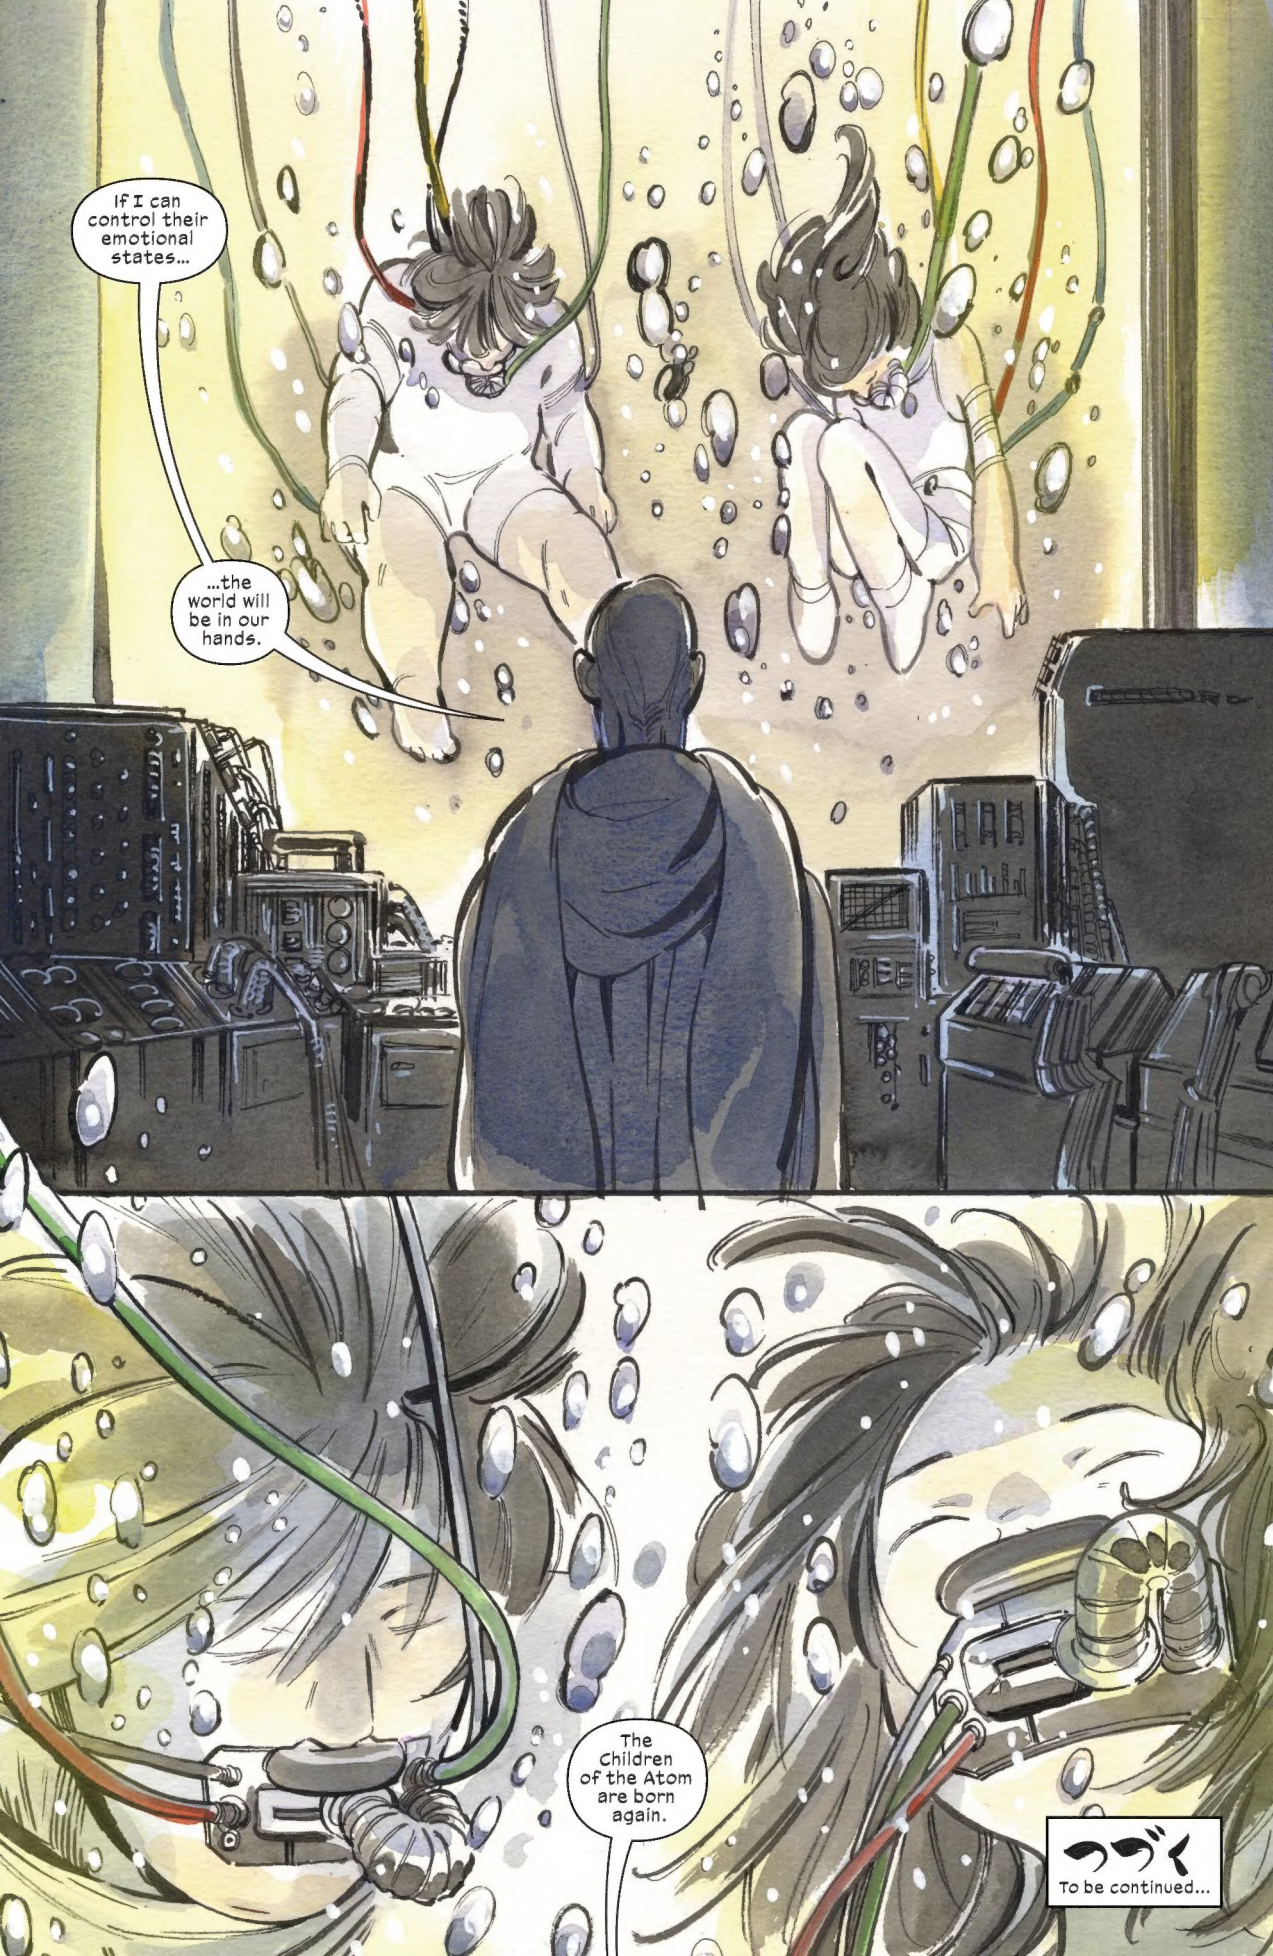
Wh-what the hell?
...Meat... case...?
Enough of this.
You leave me no choice...

...but to unleash the *oni*.
Mori... No, it can't be...
I killed her... It's my fault...it's always my fault...
Stand back, Natsu. Kanon is about to *let loose*.

WHACK
WHACK



This is the first time...
...I've seen Kageyama smile.



If I can control their emotional states...
...the world will be in our hands.
The Children of the Atom are born again.

LEXICON

SUKEBAN AND TSUPPARI

Sukeban were punk middle and high school girls during the '70s.

The term comes from combining "suke," which referred to girls during the Showa period but is no longer used, and "bancho," the term for a leader of punks.

Tsuppari were groups of punk boys during the '60s through the '80s. "Tsupparu" means acting tough.

The boys would modify their school uniforms, commonly by shortening the length of school shirts and wearing baggy pants and flat shoes.

The girls would shorten the length of their school uniform (sailor uniform) tops, wear long skirts and sport flattened leather bags.
